

台橡 ESG 採購政策

台橡致力於企業社會責任，並鼓勵我們的供應商能夠在公正和道德的基礎下，推動公開和公平競爭之商業行為，使台橡和供應商能夠長期的獲利和永續的經營。

台橡相信執行和發展社會責任計畫，供應鏈成員扮演著非常重要的因素，並期望供應商同意，並竭力的發展使得社會和環境責任成為企業的準則。為實現台橡作為全球特用材料企業，以創新技術豐富人類生活品質的願景，期待我們的供應商致力於創造相同的永續價值。

本政策特別關注由聯合國提出之為解決世界最迫切問題的「永續發展目標 (SDGs)」涵蓋之議題。

期望供應商一同遵守台橡公司的供應商行為準則 (SCC)，包含勞工、安全衛生、環境、道德規範及管理系統等類別，並確保所提供的產品及服務符合所有國家和其他適用的法律和法規。

台橡將優先選擇符合供應商行為準則的供應商。

TSRC ESG Procurement Policy

TSRC is devoted to CSR and encourages our suppliers to promote open and fair competitive business activities based on fairness and ethics for the long-term profits and sustainable operations of TSRC and its suppliers.

TSRC believed the supply chain members play a very important factor in the execution and development of CSR and expected our suppliers will agree and spare no efforts to take the social and environmental responsibility as the business principles. To deliver on our ambition of Enriching the Quality of Life for Humanity through Innovative Technologies, our suppliers are expected to strive for the same sustainable value creation.

This Policy gives special attention to areas delineated in the Sustainable Development Goals (SDGs), set up by the United Nations to address the world's the world's most pressing problems.

Expected our suppliers follow TSRC's Supplier Code of Conduct (SCC), including categories like labor, health and safety, environment, business ethics and management system, and ensured the products and services provided comply with all nations and other applicable laws and regulations.

TSRC will first select suppliers that correspond to SCC.
